

CIMAC

INTERNATIONAL COUNCIL
Power | Drives | Propulsion

CIMAC is the leading global non-profit association promoting the development of ship propulsion, train drive and power generation. The association consists of National Member Associations and Corporate Members in America, Asia and Europe.

CIMAC Circle 2025

Ammonia Engines Ready for Market – But Is the World Ready for Ammonia?

Navigating Regulatory Gaps, Supply Chain Challenges & Offtake Uncertainty in the Race to Decarbonize Maritime

Panel Discussion | CIMAC Circle 2025

Examine ammonia's potential to achieve maritime Net-Zero by 2050. Gain expert insights on engine technology, infrastructure readiness, regulatory challenges, and the safe deployment of this emerging fuel.

Keynote Speech

Ammonia in Maritime

From Promise to Practice

Prof. Zhu Lei

A strategic overview of ammonia's maritime fuel trajectory

Date

Thursday, 4. Dec 2025

10:30 am – 12 pm

Location

Marintec Innovation
– Energytec, Hall N4

Please bring a smartphone and headset to connect with translators.

Meet the Experts

Moderator

Christoph Rofka

Vice President
Communications, CIMAC /
President Medium & Low-Speed
Division, Accelleron Industries

Keynote Speaker

Prof. Zhu Lei

Vice Dean of the School of
Mechanical Engineering, Shanghai
Jiao Tong University

Panelists

Dong JingJin

Project Lead, WinGD

Frank Yu

Vice President, Envision Energy

Tomohiro Hosaka

President, IHI Power Systems Co., Ltd.

Yoshishige Sakai

Senior Manager, Kawasaki Heavy
Industries, Ltd.

Bo Cerup-Simonsen

CEO Mærsk Mc-Kinney Møller Center
for Zero Carbon Shipping
