Short presentation at CIMAC booth in Hall A1 – book your time slot

At SMM, we are offering CIMAC Working Groups and interested member companies a simple presentation opportunity for short presentations at our CIMAC booth, which is centrally located at the main entrance to Hall A1.

For this purpose, we are making our small presentation area of the CIMAC stand available as a "Speakers' Corner". This means that an innovation or a special offer can be presented in a 15-minute pitch and discussed with the audience if necessary.

A presentation monitor and sound system will be available for the speakers in this forum.

The offer is of course free of charge for our member companies. The speakers' support in advertising the presentation in beforehand is expected.

Available time slots for the 15 minutes pitches

Tue	Sep 03	15:00 – 16:30
Wed	Sep 04	11:00 – 16:30
Thu	Sep 05	11:00 – 16:30
Fri	Sep 06	11:00 – 14:00
